Are you working with a fiduciary?

What is the fiduciary standard of care?

The fiduciary standard of care requires that a financial adviser act solely in the client's best interest when offering personalized financial advice. Unfortunately, everyone in this industry is not held to this same standard.

Avidian Wealth Solutions is proudly held to the fiduciary standard. As fiduciaries, our team is committed to always acting in our clients' best interests. This is not only a promise, it is also a legal responsibility. Clients receive honest and thorough financial advice aligned with their goals and objectives.

What are the benefits of working with a fiduciary advisor?

- ✓ Put their clients' best interests before their own, seeking the best prices and terms
- ✓ Act in good faith and provide all relevant facts to clients
- ✓ Must avoid conflicts of interest and disclose any potential conflicts of interest to clients
- ✓ Provide full transparency regarding their compensation
- ✓ Strive to provide accurate, thorough advice

Our Team

Our team is comprised of highly specialized advisors that collaborate as fiduciaries to provide clients the highest level of financial counsel and service. We provide a personalized approach to planning and investment management, offering a family office experience to high net worth individuals. With decades of experience, we have developed expertise in analyzing each client's financial picture through comprehensive financial planning. We partner with clients with the goal of helping them clearly understand their overall wealth plan while providing strategic advice and ongoing analysis.

Our advice is objective and always in the client's best interest. We are compensated through a fee-based arrangement where our goals are aligned with those of our clients. Working alongside our clients' other trusted advisors, we serve as fiduciaries to address all aspects of their financial lives. Our clients are supported by a team of CFPs, CFAs, CPAs, MBAs, and JDs located in our office. Through our collaborative approach, we work with clients to optimize their decisions and align them with their tax and financial plans.
