Are you working with a fiduciary?

What is the fiduciary standard of care?

The fiduciary standard of care requires that a financial adviser act solely in the client's best interest when offering personalized financial advice. Unfortunately, everyone in this industry is not held to this same standard.

Avidian Wealth Solutions is proudly held to the fiduciary standard. As fiduciaries, our team is committed to always acting in our clients' best interests. This is not only a promise, it is also a legal responsibility. Clients receive honest and thorough financial advice aligned with their goals and objectives.

What are the benefits of working with a fiduciary advisor?

- Put their clients' best interests before their own, seeking the best prices and terms
- Act in good faith and provide all relevant facts to clients
- Must avoid conflicts of interest and disclose any potential conflicts of interest to clients
- Provide full transparency regarding their compensation
- Strive to provide accurate, thorough advice
